**MEMORANDUM FOR:** Director, National Reconnaissance Office

**SUBJECT:** Forecast of CIA Air Activities  
for August 1962

**REFERENCE:** Memo to DDR/CIA fm DNRO dtd 19 Jul 62 "Procedure for Initiation  
of Overflight Reconnaissance" [redacted] -62)

25X1A

1. It will take some time and close attention by the staffs of our two offices to carry out fully the procedure outlined in the referenced memorandum. An immediate matter for attention is the existing procedure of the Special Group whereby CIA is required to submit a monthly forecast of air activities. The Forecast for August is attached herewith and has been distributed today to the Special Group for its consideration this afternoon.

2. When you have had an opportunity to study this forecast and the Special Group procedure (taking into account the Special Group Minute of 19 July 1962) it would be useful for representatives of our staffs to see what can be worked out to be mutually satisfactory and also practical in terms of Special Group procedures. I hope to have an opportunity to discuss this at our meeting on 31 July.
